

Project Profile

Aberdeen Royal Infirmary

Introduction

Aberdeen is home to one of Europe's largest medical campuses, serving both the city and the North-East of Scotland, including the Northern Isles. The Foresthill campus, north-west of the city centre, is acknowledged as an international centre of medical excellence. Aberdeen Royal Infirmary (ARI), situated on this site, is the major accident and emergency receiving centre for the thousands of workers on North Sea oil and gas installations.

Data

Industry Sector:	Pharmaceutical
Cleanroom Classification:	Grade B & C
Value:	£380,000
Time on Site:	20 weeks
Physical Size:	70m ²
